# 1961

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we make. It is the hope of the 1961 Pirateer staff that, as you glance through this book in the years to come, you will recapture those moments -- and the echoes will begin again.

# DEDICATION

Around the Clock--- You have done much for our school. Your consistent Christ-like life has been an inspiration to every student.

Around the Clock--- We have been able to come to you, regardless of the time, or problem, or joy, you were willing to listen, to counsel, to pray and help us. Your schedule was packed-full, yet we knew we could depend on you for guidance. With such devotion and dedication we, the staff, dedicate this, our 1961 Pirateer, to you ---

# SENIOR SKIP

May 11 the Senior Class left for the coast and a day of skipping school. Swimming, golfing, and bowling at Seaside and bicycle riding, digging for clams, and fishing at Cannon Beach made an active day. To complete the wonderful sixteen hours the class of '61 spent an hour eating steak and trimmings with their classmates.

Nelson Dees

Highlights of the season was Nelson Dees the JV A-2 and B Cross country first place winner. This marks the first state championship in the history of CLHS. In the full slate of 7 meets, three victories over archrivals Wy East. Running on the home field against Wy East Bradley Hertel ran an 11:13 two mile which is one of the best high school two mile times in the state. Burt Nelson, a top distance runner, made a good showing throughout the season and in state following close behind Hertel. John Hansen, a strong frosh JV runner, also made a good showing in all meets and proved to be a growing threat to future runners.

# TRACK

New talent to Cascade Locks, greatly improved the track picture and helped to bring the League and District trophies to CLHS. Jim Miller's Javelin throw of 188' 7" ranks as one of the best ever recorded by a high school junior. Al Amoth finished third at State in the Discus with a 137' effort. Jerry Taylor was 4th at State in the 440 with a time of 53.2. Other school records for the season were either close to new district marks or changed many records in the District record book. This all helped start a new track era at the Pirate Track Field.
